About SNINS Direct

SNINS Direct is a trusted and customer-focused gold brand committed to making gold ownership simple, transparent and reliable.

At SNINS, we believe that gold is more than a precious metal — it is a symbol of trust, security, prosperity and lasting value. Our goal is to bring genuine, quality-focused gold products to customers with a strong emphasis on purity, authenticity and transparent practices.

With the vision of building a trusted gold brand, SNINS Direct aims to offer quality gold coins and precious-metal products suitable for gifting, special occasions and long-term value creation.

Our Commitment - Purity First: We focus on quality and purity across our gold products.

Authenticity: Every product is intended to be backed by proper authenticity and quality documentation as applicable.

Transparency: We believe customers should receive clear information about the product, purity, weight and applicable charges.

Trust: Our long-term goal is to build a brand that customers can confidently choose for their gold requirements.

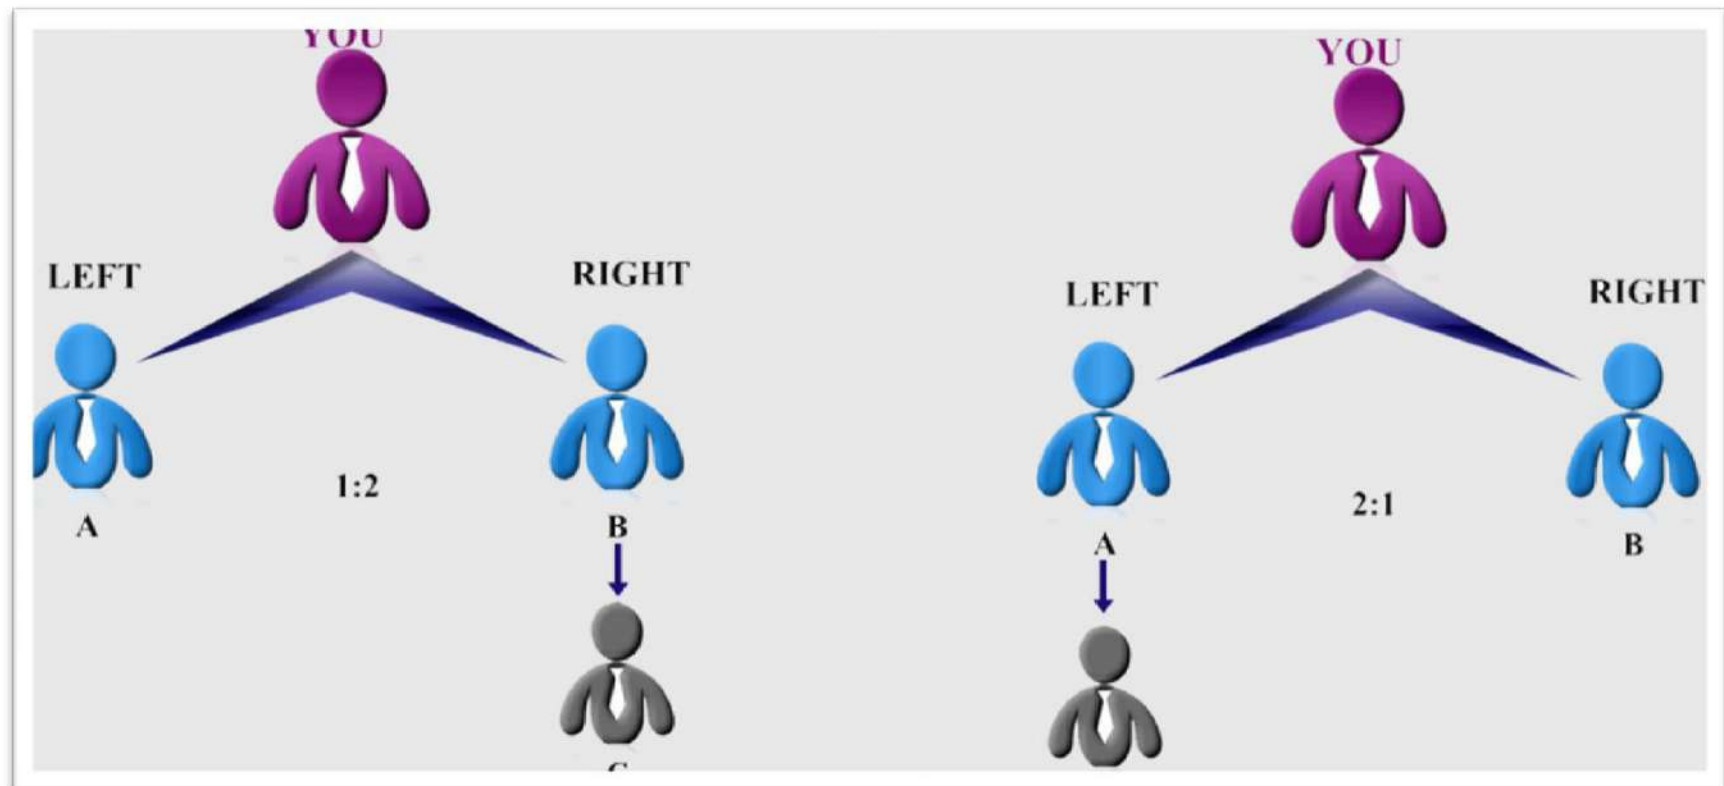

Our Vision - To build SNINS Gold into a trusted and recognized gold brand, combining traditional Indian values of gold ownership with modern customer experience and transparency.

Our Mission - To provide customers with reliable gold products, responsible service and a transparent buying experience — while creating a brand built on Trust • Purity • Transparency.
